

Aug 18, 1976

Again we meet among the logs,  
 While outside run the barking dogs;  
 This wooden house appeals to me,  
 It's seldom seen in Germany.  
 But a dizziness, forgive me please  
 It's not the day for words like these  
 This is the day when you here,  
 Burst upon the worldly scene,  
 Your natal day has shining sun  
 We hope it also has some fun.  
 This is your day, so have a ball  
 If you need our help, just give a call!

Happy Birthday from
